first successful bidder and any loss sustained thereby should be reimbursed by the defaulter, who however, will not be entitled to any profit that might accrue in the auction.

5. The highest bidder shall ordinarily be the purchaser but the officer conducting the sales can reject any bid or stop the sale at any stage without assigning any reason therefor.

6. Immediately after the material is knocked down, the successful bidder shall sign his name opposite the number and specification of the material bought by him in a sale list provided for the purpose. Such signature shall be held as admission on his part of having bought such materials and of having accepted the terms of sale mentioned above.

7. The successful bidder shall arrange to remove the articles from the stores premises immediately after payment and taking charge of them.

8. In all matters of dispute the decision of the Chief Electrical Engineer shall be final and legally binding.
